### **Gary Walsh**

Complex flavours of cream, passionfruit, stonefruit, nettles, basil and spice. Hits the mouth with an intense burst of flavour delivered in a most persuasive and silky fashion, the creamy, highly textural palate straightened up by flinty, mouthwatering acidity. Long dry finish with a dried herb aftertaste. A great food style if ever there was one.

I've not enjoyed a dry white quite so much in a fair old while.

93/2010-13.
